

Product Retirement Notice

PRN #10-14
April 27, 2010

Honeywell Announces the Simplification of the Verification Product Line

This notice serves as formal communication of Honeywell Scanning & Mobility's (HSM) intent to discontinue the following product(s) and associated accessories:

- QC810
- QC820
- QC830
- QC On-Line Verifier
- QCPC

This retirement notice attempts to identify all SKUs affected by the discontinuation of the QC810, QC820, QC830, QCOLV and QCPC. In the chart on page two, you will find a list of most popular SKUs affected by this notice. It is possible that some part numbers were missed in the list provided. Honeywell reserves the right to include omitted SKUs if they are related to the products listed above, even if the SKU is not specifically listed in this notice. Those omitted SKUs are subject to the terms specified within this document. If you are unsure of a specific SKU, please contact your Honeywell representative for clarification.

Regions Affected:

- | | |
|--------------------------------------------------------|------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> Asia Pacific (AP) | <input checked="" type="checkbox"/> Europe, Middle East, Africa (EMEA) |
| <input checked="" type="checkbox"/> Latin America (LA) | <input checked="" type="checkbox"/> North America (NA) |

Reason for Retirement:

Obsolete components, low sales volumes, increased component costs, and the desire to simplify this product offering led to our decision to discontinue the verifier products and accessories detailed above.

Migration Options:

In an effort to simplify the QC8X0 product family, HSM will be offering three basic models

- QC800X for symbologies,
- QC850X kits and NI version (unit with power supply) for symbologies and industry standards for retail, healthcare, and industrial,
- QC890X, our latest Quick Check offering
